## PROJECTS

### Bracuum E-Commerce Platform | Client Project | Jan 2026 – Present

- Developing a full-stack e-commerce for product promotion and guest checkout via Stripe, with SSR for SEO.
- Built authentication with Supabase and an admin panel to manage sales, inventory, and analytics.

### Gamified Digital Commerce Platform | Innovative Configuration International | Aug 2025 – Dec 2025

- Developed a multi-tenant full-stack platform integrating gamification and real-time analytics.
- Collaborated in a client-focused team, following Git best practices, optimizing performance for digital commerce engagement.

### Book Promotion Website | Client Project | Dec 2025

- Built a responsive website to promote and sell a client's book with direct purchase link.

### Portfolio Website | Aug 2025

- Designed and deployed a personal portfolio to showcase full-stack projects with responsive UI and optimized performance.

## EDUCATION

**Bachelor of Science in Computer Science** | University of Las Vegas Nevada, Las Vegas, NV | Dec 2025

**Bachelor of Science in Sport Management** | University of Nice Sophia Antipolis, Nice, France | Jun 2003

## ADDITIONAL EXPERIENCE

### Cirque du Soleil Performer & Scuba Technician | Las Vegas, NV | 2010 – Present

- Performed as an acrobat and scuba technician in the renowned show O.
- Developed strong teamwork, adaptability, problem-solving, and attention to detail in high-pressure environments.

### Olympic-Level Athlete (Trampoline) | Athens, Greece | 2004

- Trained and competed at elite level, demonstrating discipline, focus, resilience, and goal-oriented mindset.
